Orlando & Associates

Helping to Educate the Young Drivers of Cape Ann

Orlando & Associates has Teamed up with Nicastro's Driving School to Benefit Cape Ann's Youth Drivers

Gloucester personal injury attorney Joseph M. Orlando, Jr., Esq. of Orlando & Associates has teamed up with John Nicastro of Nicastro's Driving School to do monthly lectures on Automobile Insurance and what to do when in an automobile accident. Orlando, volunteering his time to help teach young drivers about the legal issues involved with becoming a licensed driver, introduces the young drivers to the various forms of insurance coverage under the Massachusetts Standard Automobile Insurance Policy, explaining the difference between the various forms of coverage, including when each form of coverage would apply.

"This is information that all drivers, experienced and inexperienced, should have. Accidents do happen. Good insurance coverage can save a family from financial ruin in case of an accident, regardless of which driver was at fault. The students at Nicastro's Driving School are lucky that the Nicastro family has the forethought to provide this service, and I am glad to volunteer for the good of the students." Said Orlando, Jr.

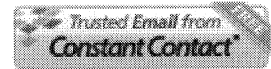

Nicastro's Driving School, which prides itself on being the area's leader in driver's education, now offers this service, which is unique and sets it apart from other driver's education courses.

"'Driving toward excellence' is more than our slogan. We pride ourselves on providing the best driver's education to our students and that means educating them on how to drive, the rules of the road, and what to do when all goes wrong" said Nicastro. "We're happy to team up with Orlando & Associates, another great Cape Ann area business, to give our students a real world lesson on the privilege of being a licensed driver."

Orlando & Associates is located at
